

# Invitation for the Polish Youth Conference 2024

---

21.07-28.07.2024

Brothers and sisters in Christ!

As young people serving in the House of the Lord, we would like to invite the Young People of all Churches to participate in the Polish Youth Conference of 2024. We really treasured the time of the previous conference and we have received much encouragement from our Lord to put our hand to His work, which we believe he wants to do with the young people as well. Each year, we see great things that our Lord does with everyone who opens their heart for Him in this time, whether old or young and we encourage all the saints to pray with us for this time.

If our good Lord be willing, the conference will again take place in the “Wojtatówka” Recreation Center ([wojtatowka.pl](http://wojtatowka.pl)) in Żabnica, near Węgierska Górka, beginning **July 21** (Sunday) with a half board (small dinner) and ending on **July 28** (Sunday) with a lunch. Age limit for participants is between **13** and **35**.

To register for the conference, please use the website of the Church in Warsaw:

[kosciolwarszawa.pl/konferencje/mlodziejowa2024](http://kosciolwarszawa.pl/konferencje/mlodziejowa2024)

The cost of the conference is **190zł** per day, totaling **1330zł**. To register, please pay an advance of **190zł** until **April 30**, which is also the deadline for registration. Any registration is valid only after the initial payment. The deadline for the total payment is **June 23**. Failure to provide full payment until this date will render the registration invalid. If any troubles regarding registration or payment should occur, please contact the person responsible for that particular issue (at the bottom of the document).

If anyone wishes to participate in the conference, but they're either only able to pay a partial amount, or none whatsoever, please annotate that in the registration form (field “Additional info” [“Dodatkowe informacje”]).

Payments should be made to this account:

**Maria Tokarska**

**mBank S.A. BIC/SWIFT: BREXPLWMBK**

**account number: PL 82 1140 2004 0000 3402 7484 9549**

The title of the payment should contain the text „MLOKO24” with the name and surname of the participant, such as: **MLOKO24 Elijah Tishbite**. In unique situations there is a possibility of payment in cash.

There is a limited number of available spots on the conference – the deciding factor is the order of registration. Should not all of the spots be taken, there is a possibility of a late registration. People who want to participate in the entire conference will be registered first.
